

Avalanche in Storm Castle Creek Basin

Date

Sun, 03/09/2025 - 11:00

Activity

Skiing

Somewhat fresh looking slab avalanche in upper Storm Castle Creek on an East facing slope. Looks like there might be a wet loose slide to the right of it as well. One small wet loose avalanche, probably from yesterday, in Maid of the Mist bowl.

Region

Northern Gallatin

Location (from list)

Storm Castle
